Summary

I am an energetic and self motivated young man. As a salesman I have a strong work morale and perseverance has come a necessity. As a substitute department manager I have developed my ability to organize and motivate my colleagues and analyse problems and develop solutions. Now I am going to focus all of my knowledge and resources to gain success as a software developer.

Education

2017-	Tampere University of Applied Sciences, BBA Business Information Systems
2009 – 2013	Vammalan Lukio, Matriculation Examination

Work experience

11/2014 – 10/2017	Gigantti Oy Ab, Salesman/Substitute department manager Worked as a product and service salesman 11/2014 – 04/2017 and as a substitute department manager 05/2017 – 10/2017 Was responsible for the department during the manager's vacations. Worked accurately under pressure.
08/2014 – 11/2017	Celectus Oy Sold contracts straight to people at malls and earned a place at a trade fair where I was able to gain confidence and pressure handling skills to approach much bigger audience.
2011, 2012 summer	A-lehdet Telemarketing magazines. Learned an ability to build trust and convince people via phone.
